

Rural Crime

Dear Sir/Madam

Overnight of 7th September in to the morning of 8th September, two John Deere tractors and a blue low axel, low loader trailer have been stolen from a farm off Garstang By-Pass road. At the time of their theft the tractors were bearing the registrations PF16EJZ and PO13CNV.

It is believed that the offenders have utilised the low loader trailer to remove the tractor(s), taking the items across fields through to Kepple Lane where they have exited on to the A6 to travel south.

If you were in the area overnight and saw any suspicious activity or have any CCTV in this area we would be interested to hear from you. Please make contact via 101 or www.lancashire.police.uk quoting log reference LC-20190908-0375.

We would also like to take this opportunity to remind rural premises owners of the importance of securing high value items and considering the use of CCTV, alarms and lighting in secluded areas.

Should you require more information on crime prevention please contact your local policing team.

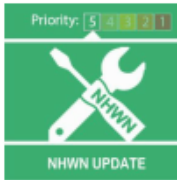

Regards

Rachel Crossley
PC 3577, Morecambe Police Station

Neighbourhood Watch Scheme

Dear Derek

Last week Blackpool police sent a message about Enid, the very dedicated local neighbourhood watch co-ordinator for the Highfield area.

There are many benefits to setting up or joining a Neighbourhood Watch scheme including bringing communities together with an emphasis of everyone sharing a common goal, helping YOU as a neighbourhood watch coordinator feel secure whilst knowing that your neighbours are keeping an eye on your property and also helping you become more familiar with crime prevention ideas that help keep your home and belongings safe.

If you would like to follow in Enid's footsteps and you're interested in forming a watch in your area, or if you would like more information on the neighbourhood watch scheme, please contact the Lancashire Combined Watch Forum at - secretary@lcfw.co.uk.

You could also make a difference in your area just like Enid!

Thanks

Clare Walker
PCSO 7679
